BOOK SYNOPSIS

This test preparation manual presents a general overview of world history, treating it as an academic discipline, and offering general study advice. Twenty-five study units review the entire scope of human history, summarizing: The emergence of early human communities The development of agricultural societies The emergence of civilizations Global exchange among peoples The development of industry Global demographic, economic, ecological, social, and cultural changes The chronicle of the world's civilizations is reviewed to the present era. The manual concludes with two full-length model tests with all questions answered and explained.
