BOOK SYNOPSIS

Set against the glittering backdrop of Paris, *Obsession* is the first in a sprawling, globe-spanning trilogy of intrigue — and the two star-crossed lovers swept up in it all. When Eliah Al-Saud and Matilde Martínez meet on a flight to Paris, they have little in common. Eliah is the rich and powerful owner of a French security company — actually a front for mercenary and espionage services — while Matilde is a pediatric surgeon from Argentina whose only dream is to work in Africa helping children in need. Despite their differences — and their current relationships — an undeniable attraction swallows them whole, driving them into a whirlwind romance and irreversibly intertwining their devastating secrets and placing them at the center of an explosive international conflict. Even if they manage to survive, will their love?
