BOOK SYNOPSIS

"Among all of the existing review products, the focus on student engagement, thorough coverage of content, and accessible style are among the factors that have made LWW's Medical Assisting Exam Review for CMA and RMA Certification one of the most popular! Now in its third edition, this Review Guide prepares medical assisting students for successfully passing a national medical assisting certification exam (CMA, RMA, and CMAS exams). Ensuring that the book is comprehensive, this text also focuses on engagement and is written in a concise style that infuses humor and motivational strategies. The book first helps the user identify areas of strength and weakness, then guides the user through developing a study plan. Following this, practice exams included in the ancillary suite will help students assess their progress and continue working towards success on the exam"--Provided by publisher.
