BOOK SYNOPSIS

The Real ACT Prep Guide with CD is the only book with insider test-taking tips and strategy, practice, and insight from the makers of the ACT. This is the only guide that includes 5 previously administered, full-length ACT tests written by the actual test maker (including 2 NEW practice tests). Also included is ACT content and procedures you'll follow when actually taking the test, along with in-depth review of the optional Writing Test and how it is scored; examples of all the question types; and suggestions on how you might approach the questions. The supplemental CD features a complete electronic copy of Peterson's Cool Colleges 101 and additional online college planning resources from Peterson's. The only guide that includes 5 previously administered, full-length ACT tests written by the actual test maker (including 2 NEW practice tests) ACT content and procedures you'll follow when actually taking the test Valuable information about tuition payment plans All the question types you can expect to find on the ACT Suggestions on how you might approach the questions and Peterson's tried-and-true test-taking strategies and tips
